*Since no site visit has been made regarding this request, no comment or warranty about the current condition or future performance of the SSDS System is given. THIS IS NOT AN INSPECTION LETTER AND IS NOT TO BE USED FOR LOAN CLOSINGS OR BUILDING PERMITS. Nor can the Division make any representation about whether unauthorized modifications have been made to either the SSDS system or the original structure. This document only reflects what the Division's records show about the number of bedrooms authorized in the subsurface sewage disposal system permit based on the information provided in this application.*
